

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

UNITED STATES OF AMERICA,

Plaintiff,

v.

RAVNEET SINGH (1),

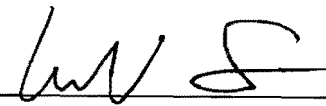

Defendants.

Case No. 14CR0387 MMA

**ORDER DENYING WITHOUT
PREJUDICE [58] JOINT
MOTION TO AUTHORIZE
SUBSTITUTION OF TRUST
DEED PLEDGED AS SECURITY
FOR THE BOND**

A Joint Motion of the parties was filed on 5/6/2014 to Authorize Substitution of the trust deed used to secure defendant Ravneet Singh's bond with a new trust deed. The Joint Motion is Denied without Prejudice as there is no reason stated for substitution of the property. The Court requests additional information for the substitution. Moreover, the unrecorded substitute deed of trust appears to convey the proposed substitute property by the owners in their individual capacities, not as trustees of their respective trusts.
